

Steel Foot Stool

The foot stool helps to reach higher shelves through a stable and secure platform. The foot stool is made of steel welded silver vein with a rubber platform and rubber feet to keep it stable. The stool comes fully assembled and is ideal for kids, adults and all ages. The four steel legs provides a large, sturdy and stable standing area and holds up to 300lbs and 500lbs with the weight just 5lbs. Also it is easy to store in different locations including kitchen, bathroom, laundry room or anywhere else in the home or office.

Product Advantage

- 300lb or 500 lb. weight capacity.
- Constructed of durable 1 " steel tube with cross support for added strength.
- Silver vein finish easy to maintain and less institutional looking.
- Non-skid ribbed rubber platform, Provides stable momentum for hard-to-reach items.
- Cross brace attached with aircraft-type rivets.
- Reinforced rubber tips.

Reinforced rubber tips on each stool leg provide traction for added stability and safety.

The bottom has a cross bracket design to enhance stability and load-bearing capacity(500 lb weight capacity).
