

Home Bed Assist Handle

A Bed Assist Handle offers functionality and ease for people who have to remain in bed due to health issues or recovery.

This Bed Assist Handle aid is ideal for those who struggle to sit up or get out of bed. Designed to support single or double beds, and provide a firm handle for gripping. Easily fitted as it simply slides under the mattress.

Product Advantage

- Assistance for getting in and out of home-style bed. Can be used on either side of the bed.
- Removable handle, easy, quick, no tool assembly. Comes in three pieces.
- Simply slides under mattress with “no-slip foam” on base bar to prevent movement.
- All steel, chrome plated, solid and easy to clean.
- Portable, easy to transport. Can be folded to flat position for easy storage.
- Retail Packaged.

Added feature on the base bar, "no-slip foam" that helps hold the bar in place.

The removable handle is part of an all steel, chrome-plated construction that is strong, solid and easy to clean. The unit arrives in three pieces and can be assembled quickly and tool-free, and it also can be adjusted flat for easier storage.
