- Battery/Emergency stop button
- Motor
- Pedestal adjustment pedal
- Rear wheel (with lock)

Product Advantage

Compact smartness

Deneb Series 71970 is designed to be easily transported to where it is required. It is designed for home care and easy storage.

Comfort and ease of use combined

The high boom maximises space for the client even when the hoist is in its highest position. This gives an ergonomic lift and transfer as the client can be easily rotated 360°, which makes positioning much easier for the carer.
